

What is included in the cost of your charter:

- ✓ The Boat Company provides the first night of your trip (Saturday) at a hotel in either Sitka or Juneau.
- ✓ Transportation from the airport to the hotel and from the hotel to the boat. At the end of your trip the boat will arrive at the dock (usually between 9 & 10am.) We will provide transportation to the airport or a local hotel. - ✓ We provide kayaks, canoes & fishing equipment (including hand-tied flies specific to the fish in Alaska) for your unlimited use. Guiding by our trained & licenced crew is also included.
- ✓ If you choose to take your fish home with you, the crew will filet, clean, freeze and pack your catch in an easy to carry insulated box. Please see notes on fishing for more detailed descriptions of the specific types of fishing gear & tackle we provide.

CANCELLATION POLICY

The Boat Company is a non-profit educational organization incorporated in the State of Alaska. Unlike cruise ship operations carrying hundreds or even thousands of passengers, if you reserve with us and then later find you must cancel, it will significantly impact our ability to meet expenses. Thus, deposits and payments are refundable (less a 4% processing fee) only upon receipt of your written cancellation by December 31st. After January 1st refunds depend on reselling your space at the same price. If you do not have someone to take your place, we promise to do our best to re-sell it for you; however, we cannot guarantee success. Due to our need for a strict cancellation policy, we strongly recommend that you purchase travel insurance.

Please Note: Prices are subject to change.
